

# **V BAY AREA VEGETARIANS ULTIMATE GUIDE**

World famous for the Golden Gate Bridge, San Francisco is also popular for its 24 vegan and vegetarian restaurants. With 103 vegetarian and vegan restaurants in the broader SF Bay Area (321 if you include the vegetarian friendly), you can eat veg-style with compassion and diversity from African to Chinese to Japanese to Thai... one of the best reasons why so many leave their healthy hearts in San Francisco.

To help you find vegetarian foods and services, check out The Ultimate Guide to Vegetarian Living in the San Francisco Bay Area (UG). UG is an online tool that allows you to search by City, Neighborhood or General Area for vegetarian foods or services. This printed list was created by UG and contains 509 entries. In its complete form, there are over 513 entries for restaurants featuring vegetarian foods or businesses tailored towards vegetarians, with over 1423 customer reviews.

UG is a service provided by Bay Area Vegetarians. Bay Area Vegetarians is a San Francisco Bay Area wide group for vegetarian and animal rights folks to connect and find support with like-minded people. Our activities & events encourage and educate the community on the benefits of a plant-based diet, and our 3 mailing lists support/connect the community. We are a 100% volunteer, plant-powered organization with over 1500 members throughout the Bay Area and the world.

Bay Area Vegetarians hosts about 10-15 events a month, including:

- Monthly restaurant dinners in SF, East Bay, Peninsula, South Bay, & North Bay
- Delicious Vegan Food Parties
- Hikes and camping trips
- Advocacy events including letter writing parties and Street TV
- And other special events throughout the year

Membership is free, and donations from supporters are gratefully accepted. To use UG or learn more about our organization and upcoming events, please visit our website at [www.BayAreaVeg.org](http://www.BayAreaVeg.org)

Note: Information in this Guide was compiled from members of our community and the public. Please share any updates or additions by contacting us via our website.
